SUHAS UMESH

M.Sc. Management & IT Student | Aspiring IT Project Manager

suhasu710@gmail.com •linkedin.com/in/suhasu710
Personal website (portfolio & projects): suhasumesh.vercel.app
+49 151 22684464 • 08056 Zwickau, Germany
Born 07.03.2004 in Mysuru, India • Nationality: Indian
Student residence permit – eligible for working student positions (up to 140 days/year)

EDUCATION

Since 10/2026 | M.Sc. Management and Information Technology
Westsächsische Hochschule Zwickau (WHZ), Germany • expected completion 2028
Double-degree programme. Modules: Business Information Systems, Digital Business Models, Risk Management & Management Control, Applied Programming Project and International HR Management

12/2022 – 06/2026 | B.E. Computer Science and Engineering
The National Institute of Engineering (NIE), Mysuru, India
Final grade: 2.1 (German scale, uni-assist VPD)

04/2022 | Class XII (Pre-University, PCMB) – Sadvidya Composite PU College, Mysuru – 83.7%
06/2020 | Class X (SSLC) – Sadvidya High School, Mysuru – 96.2%

WORK EXPERIENCE

02/2025 – 05/2025 | Neural Intelligence & Data Science Intern
Archelos Intelsense Technologies, Bengaluru, India
- Took on the de-facto Scrum Master role for the ML project team, coordinating sprints and keeping delivery on track
- Built and trained classification and prediction models in Python (scikit-learn, TensorFlow)
- Prepared raw datasets for modelling: cleaning, handling missing values, feature engineering
- Worked with developers to integrate models into an end-to-end ML pipeline

07/2023 – 09/2023 | Data Science Intern
Rinex Technologies, Mysuru, India
- Performed exploratory data analysis and statistical modelling on real-world datasets (Pandas, NumPy)
- Built and evaluated predictive models with scikit-learn
- Presented findings as visualisations and short reports for non-technical stakeholders

PUBLICATION

Sentinel: A Human-in-the-Loop AI Framework for Electoral De-Duplication — IEEE, ICKECS 2026 (first author)
ieeexplore.ieee.org/document/11527542
AI framework that flags likely duplicate voter records and routes uncertain cases to human reviewers, combining automated matching with human verification. Presented at the conference in April 2026.

SKILLS

Project management: Scrum, Agile, Jira, SDLC, stakeholder communication
Data & AI: Python (Pandas, NumPy, scikit-learn, TensorFlow, Matplotlib), machine learning, data visualisation

CERTIFICATIONS

- 02/2026 – IBM IT Scrum Master Professional Certificate
- 01/2026 – Atlassian: Agile with Atlassian Jira
- 05/2025 – Google: Foundations of Project Management

LANGUAGES

- Kannada – Native
- English – C1 (IELTS 7.0)
- Hindi – B1
- German – A1 (currently learning)

EXTRACURRICULAR ACTIVITIES
